COMPREHENSIVE LOGISTICS OPERATOR

We are a logistics service provider operating in the TSL (Transport, Shipping, Logistics) market since 2009. Our mission is to deliver comprehensive services through close cooperation with our clients, aiming to become a valued and trusted business partner. We continuously focus on process optimization, resulting in mutual satisfaction and measurable benefits.

IT'S IN
OUR DNA

We are part of the Colian Group, founded by the Kolański family in 1990. Being a member of this organization ensures safe and professional cooperation.

ICON OF EFFICIENCY

Colian Logistic is a family-owned company with a mission to promote operational efficiency. In every area of our business, we focus on the rational management of resources – both our own and those of our clients.

Guided by the principle of EFFICIENCY, we deliver comprehensive logistics services in close cooperation with our business partners, building trust and long-term relationships.

An effective approach to operations is deeply rooted in our history. We originate from one of the most entrepreneurial regions of Poland.

The well-known and legendary Greater Poland tradition of economic resourcefulness is the driving force behind everything we do.

Colian Logistic aspires to become an ICON OF EFFICIENCY. This motto defines our priorities and supports our journey toward becoming a leading logistics operator in Poland and beyond.

COLIAN LOGISTIC BRANCHES

As we continuously expand our network of locations, Colian Logistic ensures we stay as close to our clients as possible. Our branches are located in modern facilities near major expressways - crucial for the smooth and efficient handling of logistics processes.

TRANSPORT

IMPORT EXPORT

We handle over 200,000 orders per month, which translates to nearly 2.5 million interactions annually in domestic and international transport.

We offer truckload (FTL), partial load (LTL), and groupage transport using curtain-sided, refrigerated, and isothermal trailers. We also handle ADR-certified shipments and waste transport.

Our international transport services cover Western Europe, with a strong focus on Germany, the Benelux countries, and the United Kingdom. As a comprehensive logistics operator, we offer complete shipment handling, including customs agency services.

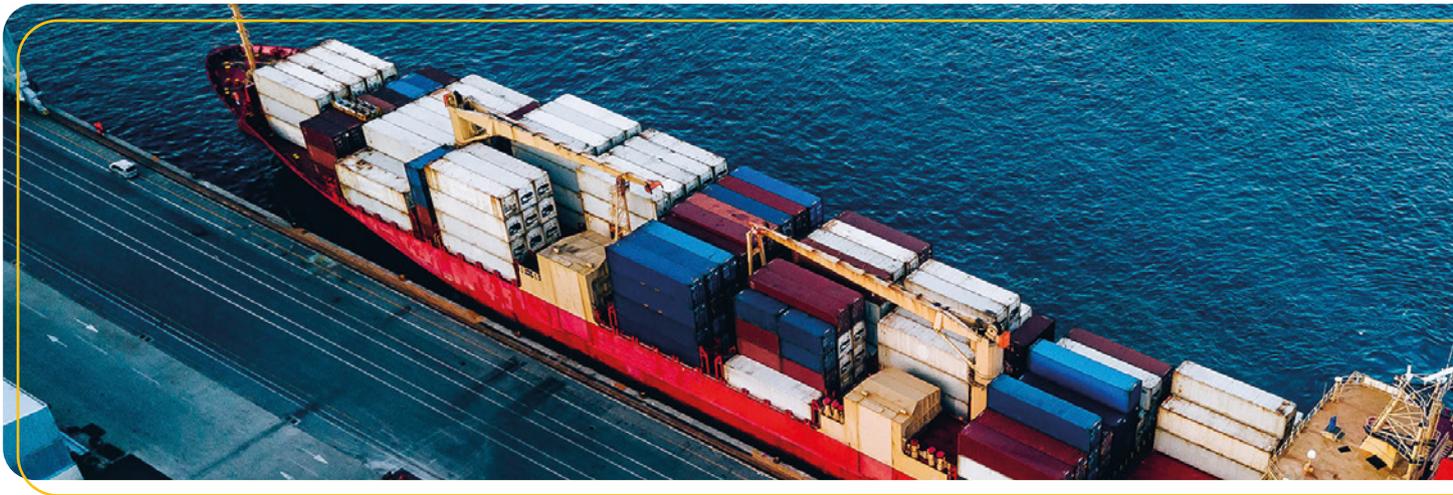

CUSTOMS AGENCY

The key advantage of sea freight is overcoming barriers that limit access to geographically challenging markets. Through direct cooperation with trusted shipowners and agents in the ports of Gdynia, Gdańsk, and Hamburg, we offer freight forwarding services including:

SEA FREIGHT

- transport of standard 20' and 40' HC containers, as well as refrigerated containers
- full container load (FCL) and less than container load (LCL) shipments
- transport orders from seaports directly to clients or designated warehouses
- container release management
- customs clearance support
- formalities on behalf of clients at the shipping line's office

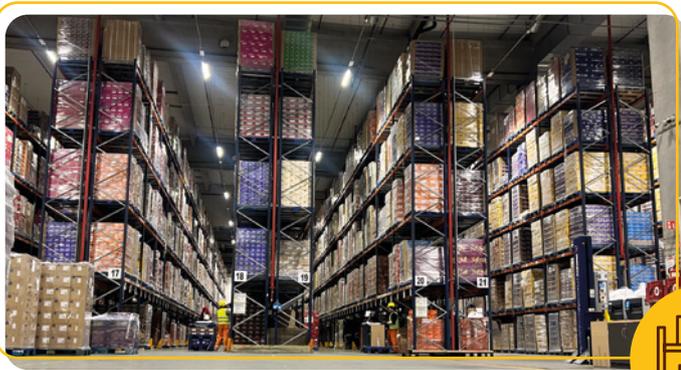

Colian Logistic sets sail for global logistics

WAREHOUSING

We operate **70,000 m²** of warehouse space, including both racked and block storage facilities. At every stage of the process, we provide full logistics support.

Our efficient warehouse management system is supported by a range of modern solutions, including handheld and forklift terminals, as well as industry-standard systems such as ERP, SAP, WMS i TMS.
