

BEEPACK
NATURAL FOOD WRAPS

Free delivery for the first order throughout Europe

Europe's
largest beeswax
wraps and bags
producer

Innovative concept for a personalized, zero-waste-themed gadget.

Surprise your employees, clients, and partners with custom-printed beeswax wraps and bags.

About product

Beeswax Wraps and Bags are reusable, eco alternative for a plastic and aluminium foil. They are perfect for wrapping and storing bread, sandwiches, fruits, vegetables, cheese or food leftovers. They are 100% natural, reusable and recyclable. Made with certified GOTS printed cotton, pure, food grade beeswax, jojoba oil and pine resin.

Our offer also includes other products based on bee raw materials, such as honey and candles, which we can also personalize.

About BeePack

BeePack Production – Europe's largest beeswax wrap producer, nestled in the heart of Poland, EU. We specialize in crafting custom made solutions for a diverse range of B2B clients, including marketing agencies, corporate entities, public institutions, retail shops and chains, and fellow beeswax wrap producers.

With a robust portfolio boasting over 1,000 projects ranging from 100 to 100,000 pieces, cutting-edge production facility, BeePack Production has a reputation as a dependable business partner for many European brands.
